

# Sojourner Truth Academy

**Each One Teach One**  
**Preparing New Orleans' Future Leaders for College and Beyond**

Sojourner Truth Academy is an open-enrollment charter high school that accepts ninth graders regardless of their academic history and prepares them for community leadership and college. All students will complete 8 more Carnegie units (including three in Spanish), 160 hours of service learning, the ACT or SAT and a community renewal project and portfolio before graduating. STA students spend an average of 28% more time in class than their private and public school peers. STA is the only Orleans Parish high school to provide bilingual support to Spanish-speaking English Language Learners and community-based leadership training to every student, preparing them for college and beyond.

## BUDGET

Your donation will help our student-athletes acquire uniforms and sports equipment, transportation to and from games, and pay for referees, coaches, and other officials.

Sojourner Truth Academy provides learning opportunities to students beyond the classroom. Students will take an annual trip to visit colleges in another state with your help.

Your support enables us to provide every student with breakfast, lunch and snack every day. It also helps us to provide all school supplies and yellow bus transportation for each and every student.

- \$100 buys one student the five core novels used in English
- \$250 pays for transportation to and from a service learning project for 50 students
- \$500 will buy one student textbooks for all her content classes
- \$1000 gives one student a laptop computer for the year
- \$2500 enables ten students to get social work and counseling services
- \$5000 buys breakfast and lunch every day for six students

Sojourner Truth Academy is a 501c3 not-for-profit organization and all donations are tax deductible.
